

RUBBER DUCK DOES PHOTOGRAPHY

Portraits 2011

Portrait sessions can be held in your home or at any location and cost £80. I can arrange a studio if you prefer but at an extra cost.

I require you to fill out a portrait booking form (available to download from www.rubberduckdoes.com/BookingForm.pdf) this gives me an idea on what you are looking for and helps me to prepare beforehand.

The session will usually last about an hour but I will take as long as needed as sometimes people need some time to relax in front of the camera. Before I start to shoot we will have a brief talk about what we need to achieve.

The session shots will be individually edited and enhanced by me resulting in 10 – 20 images for you to make your choices from.

Within 2 weeks I will email you a link to a password protected gallery of your images on my site so that you can make your selections. You will have one week to do this then the gallery will expire.

Once you have made your choices they will be processed by a professional lab and any mounting done. This process will take upto 2 weeks, sometimes a little longer during holiday times.

The following sizes/finishes are the most popular choices; I can cater for nearly any custom requirement.

Please get in touch if there's something specific that you are looking for.

All the costs quoted are excluding postage and packing we will quote you at cost at time of ordering for this.
